By transit, the library is conveniently located at North York Centre subway stop. By car, the library is just a few minutes north of Highway 401, and underground parking is available off Park Home Avenue. The meetings have included raffles, media discussions, readings by local authors, illustrated lectures on science, games, script readings, Christmas parties, concerts, workshops, etc.

## **CONVENTIONS**

In the past, we have been to Seatrek and to conventions in Hamilton, Albany, California, Georgia, Michigan, New York, Niagara Falls, Ohio, Ottawa, Pennsylvania, Winnipeg, and, of course, Toronto (Ad Astra, Primedia, Toronto Trek, etc.). Many of our members volunteer at local conventions.

## **OTHER CLUB ACTIVITIES**

After meetings, we usually go out to eat and watch a movie at the Silver City across the street. (It's nice to use the underground tunnel in the winter!) Among films we have seen are *Star Wars: Episode I*, *Galaxy Quest*, *Jurassic Park*, *The Mummy*, *Star Trek: Insurrection*, *The World Is Not Enough* (James Bond #19), and *Gladiator*. We have visited the Ontario Science Centre, Canada's Wonderland, and Big City Improv. We also hold an annual picnic on Toronto Island.

## **SERVICE CLUB**

In the past, we have collected and sorted food for foodbanks, hosted blood donor clinics, collected reusable materials (eyeglasses, clothes, books, etc.) for shelters and Third World countries, and performed security for community events such as the Mississauga Santa Claus Parade.

## NEWSLETTER

We publish an Aurora-nominated newsletter, *The Voyager*, written by our members. It includes all the latest science fiction, fantasy, and multimedia gossip; interviews with the stars, behind the scenes crew, and writers; book and episode review columns; artwork; puzzles; and information on all Infinite Diversity International Corporation activities. We have also published a fanzine, *Holodeck One*, with short stories, artwork, articles, parodies, poems, puzzles, and filk songs.

## ELECTRONIC COMMUNICATIONS

We communicate with many of our members via e-mail. We inform them of meetings and upcoming events. Our Web site <[www.idic.ca](http://www.idic.ca)> contains upcoming events, the history of the club, and excerpts from *The Voyager*.
